

Welcome to you, our Parent Forum.

NETHERLEE PRIMARY SCHOOL AND NURSERY PARENT PARTNERSHIPS

Indeed, every parent/carer with a child at the school is part of the Parent Forum, whether you knew it or not!

Both the **Parent Council** and the **PTA** have appointed new members and actively wish to engage with our Parent Forum in our joint aim to provide our children with the most positive, inclusive, engaging experience that our school can provide.

✓ PARENT COUNCIL - PARENTS' VOICE

The main aim of **Netherlee Parent Council** is to support those managing the school and nursery to raise **standards** of education; to **represent** parents/carers; and to decide what is most important to work on for our school.

Our Responsibilities include:

- Promoting and improving **links** between all parents/carers, pupils, nursery children, the community and the school.
- To establish the **views** of the Parent Forum regarding the standard and quality of education.
- Ensuring that the Parent Forum get the information they need in an accessible way and that the school gets **feedback** on their views.

The Parent Forum can expect from the Parent Council:

- To get news and **information** about Parent Council activities.
- To be asked their **opinion** on school and nursery matters, to be listened to and represented in a fair and equal way.
- To be **inclusive** and recognise diversity.

Under the Scottish Schools Act 2006, the school's Leadership Team has a duty to attend PC meetings to build and reinforce partnerships with the Parent Forum.

Examples include:

School Improvement Plan, Road Safety and **Home Learning**.
